Brief of the work done :-

Films impact on the youth of today society life. It is clear from the Marathi film Sairat that a large no. of youth absorbs the wrong meaning without understanding the real meaning of the film.

One such incident happened at Village Kherda in the Police Staion Jaulka area. In May 2016, a villain from the Sairat film Khedda village, Wiki Tarachand Rudhe, Rupali Jadhav (fictitious name) showed her the lover of marriage and took her away as she was lying in the courtyard midnight. As soon as the incident was known, the complainant filed a complaint with the family of the complainant in the police station Jaulka. The victim's sister said that the victim took the girl to Pune. Under the guidance of Sheikh, the officer API ARSEWAR, police employee Ghate & Railiwale he went to Pune and searched the accused and the victim, the accused were not found. Since the accused was constantly changing the location of the property, he was not in the hands of the police. Therefore, the challenge was to make the police arrest the accused. After that, on June 16, a confidential report was found that the accused's mother is going to meet the accused as being ill. So the Kale file was seized by the police team. The accused, who was seen carrying the victim, was brought to Jaulka Police Station for interrogation. n this case, the accused was arrested in the case of a serious nature, according to the victim's statement about the atrocities committed against her. While helping such victimized girls we feel very satisfied to relive that girl from accused.
